

Tunnel to Tower Fundraiser

INTRODUCTION & SPONSOR REGISTRATION FORM

We are looking for your support in hosting the Valley's first Tunnel to Towers (T2T) event! The ride (19- and 43-mile routes) will be held on Sunday, September 8th, 2024, at the Woodstone Country Club, in Danielsville, PA and benefits Tunnel to Towers Foundation.

Since 9/11, the Tunnel to Towers Foundation has been helping America's heroes by providing mortgage-free homes to Gold Star and fallen first responder families with young children and by building specially adapted smart homes for catastrophically injured veterans and first responders.

The Never Forget Ride began in 2020 with a group of cycling friends who set out to commemorate the sacrifices made by first responders during the tragic events of 9/11/2001. The challenging and picturesque ride includes two challenging hill climbs and passes through a covered bridge. Each year more friends joined us. We wanted to share this great route, help support the Tunnel to Towers Foundation and establishing this ride as an annual event!

The original ride passed by the Woodstone Country Club. Woodstone, too, has a soft spot for 9/11 first responders—they proudly display a statue named, "Lunch Atop a Skyscraper," made from the steel recovered from the twin towers. What a perfect spot to start and finish the ride!

The proceeds raised through sponsorships, registration fees, and donations will go directly to the Tunnel to Towers Foundation.

Your sponsorship will include your business logo on the event T-shirt or cycling jersey and recognition at the event and on our website.

Other ways to support our fundraiser include donating services and products for give aways and raffles.

Please fill out the information below to be a sponsor of our fundraising event.

We look forward to working with you to make this a successful event for a patriotic foundation.

Checks shall be made payable to *Never Forget Ride* and mailed to 3466 Teel Road Danielsville, PA 18038
